1996-97

**WILLAMETTE
UNIVERSITY
MEN'S
TRACK & FIELD
AND
CROSS COUNTRY**

Clockwise from left: Junior Jimmy Watts competed at nationals in the javelin, decathlon and high jump, placing fourth, fifth and 12th in those events, respectively. Junior Chris Lyke paced the Bearcat cross country team at the NAIA championships, finishing 67th to help Willamette place 18th as a team. Thrower James Banks exhibited immense potential during his freshman season in 1997.

MEET HEAD COACH KELLY SULLIVAN

Kelly Sullivan, a star distance runner at Willamette University in the late 1970s, has returned to his alma mater as head cross country and track & field coach.

Sullivan had spent the past 12 years as head cross country and assistant track & field coach at Auburn University. While at Auburn, Sullivan coached 36 NCAA Division I All-Americans, a 1988 Olympian and American indoor record holder (Brian Abshire), and 1991 Olympic Sports Festival Steeplechase Champion Brian Jaeger. As an assistant coach during the 1997 track & field season at Willamette, Sullivan coached Beth Fitzgerald and Carrie Morales to school-record and NAIA All-America performances in the 800 and 1,500, respectively.

Sullivan said he resigned from Auburn in August of 1996 to be closer to his family. His parents live in Salem.

"It was time to get back home and spend some time with them," Sullivan said of his decision. "It was a very, very hard decision to leave Auburn. Auburn is a respected and prestigious university. I had some great kids and worked with two outstanding head coaches in track."

Sullivan first came to Willamette in the fall of 1977 after transferring from Clackamas Community College, where he was a junior college All-American in the steeplechase. As a senior at Willamette, he finished 12th in the NAIA cross country meet and third in the NAIA steeplechase. He owns the second-best steeplechase time (9:07.9) in Bearcat history.

"When I first came to Willamette, I did a lot of growing up," he added. "It was probably the most valuable 2 1/2 years that I had. Before I came here, I had no direction of what I wanted to do."

After graduating from Willamette in 1979, Sullivan returned to Clackamas CC, where he was head cross country and track & field coach from 1980-84. During his four years at Clackamas, he coached 42 NJCAA All-Americans and NJCAA national record-holders in the decathlon and indoor 3,000 meter run.

Now his career has come full-circle at Willamette, too.

"Bill Trenbeath (Willamette's athletic director) and I have stayed in touch over the years," said Sullivan. "I wouldn't have done this if I didn't feel the whole athletic program wasn't on the upward trend."

Sullivan, who grew up in Nehalem on the Oregon coast and graduated from Neah-Kah-Nie High School in 1975, is also heavily involved in cross country and

track & field on the administrative level. He is currently the Men's Development Long Distance Running Chair for USA Track & Field, and is 1st Vice-President of the NCAA Women's Cross Country Executive Committee.

OTHER CAREER HIGHLIGHTS...

■ Brings 16 successful years of college coaching to Willamette — 12 years at NCAA Division I Auburn and four years at Clackamas Community College.

■ Over the past 12 years, Auburn has been considered one of the premier track & field programs in the country. Sullivan worked for eight years beside 1992 men's Olympic head coach Mel Rosen, and the past four years with 3-time Olympic sprinter and Gold medalist Harvey Glance.

■ During his 12 years at Auburn, Sullivan's distance runners held six SEC records.

■ Upon Sullivan's departure from Auburn, both men's and women's track & field and cross country teams were having their finest seasons. In 1994 and 1995, the women's cross country teams qualified for the NCAA Championships for the first time in school history. The women's teams were SEC runner-up in cross country, and indoor and outdoor track & field — all three teams being the best in school history. The women's indoor and outdoor track teams finished behind LSU, which went on to win NCAA Championships.

■ Over the last six years at Auburn, every indoor and outdoor distance record from the 800 meters to 10K were broke by the Lady Tigers. Also, every indoor and outdoor women's relay record has been broke in the past six years.

■ In 1995-96, Sullivan had six men and women qualify for the NCAA Outdoor Track & Field Championships, which were held in Eugene, Ore. Four of those six earned All-American honors.

■ At the U.S. Olympic Trials, two of the men's finalists in the steeplechase were coached by Sullivan, in addition to three other men's and women's finalists.
