

# DISCUSSART

## Sockeye Premiere Party is a Smash!

To celebrate the premiere of our new design and name, hundreds of authors, editors, supporters, and artists toured a restored Portland 4-plex filled with art, food, and fascinating discussion. Half of the art sales went directly to fund Sockeye Magazine's nonpartisan coverage of NW topics.

As a subscriber to Sockeye Magazine you will receive invites to our special events including public discussions with our authors, guest lectures, and to the next Discuss Art event.

Go to [sockeyemagazine.org](http://sockeyemagazine.org) for upcoming events, to review our archives, and most importantly to join our mailing list.
