

Mary L. Collins Graduate Scholarship

Two students graduating from Willamette this year will each receive a \$2,000 Mary L. Collins Graduate Scholarship. These awards are intended to help the recipient pursue graduate study at an accredited university for the 2006-2007 academic year and *may not* be deferred to another year. These awards will be continued for a total of three years if the recipient remains in good standing while attending graduate school.

Candidates must have completed at least two years in residence at Willamette and must have a cumulative GPA of 3.2 or higher. A campus committee will select recipients.
