GENERAL INSTRUCTIONS

Read only this sheet before the examination begins. Do not turn the page until the exam begins.

It is the responsibility of law students to be familiar with the Student Grievance Procedure. The following acts are violations over which the Grievance Committee has jurisdiction:

A. Acquiring or divulging unauthorized information concerning the content of an examination or other graded course material.

B. Violating the time limits provided for an examination, either by beginning before the stipulated time or by answering after the time set for completion.

C. Falsely representing another's words or ideas as one's own, in any academic work.

D. Collaborating upon a course-required project without the authorization of the instructor.

Put exam numbers on the exam envelope before the exam begins. Put exam numbers on the blue books as you use them. Page numbers are not necessary in the blue books.

An announcement will be given in each test center to start and stop the exam, including a 5-minute warning before the end of allocated exam time. All writing and marking on exams must cease when the announcement is made that the allocated time for the exam has expired. No exceptions will be allowed. This includes writing page and/or exam numbers on your completed exam.

All used scratch paper is to be returned inside the exam envelope. All unused blue books and scratch paper are to be returned to the collection box in the lobby. All exam questions must be returned at the end of the exam unless instructions clearly state that you may keep the questions.

If you have software problems that you cannot remedy by re-booting and re-launching the Exam4 software, you must hand-write the remainder of your exam.

SPECIFIC INSTRUCTIONS

- This is an open book, open note, open materials exam—including shared outlines.
  o You should not expect to have much opportunity to consult these materials.

- Read the calls of the question first—and read them carefully. Answer the specific question in front of you, no more, no less.

- Adhere to the time limits for each question. Use the percentages as a rough guide for where points can be found.

- If something in the facts is unclear, make a note of it.

The events in this exam all transpired in the State of Tortlandia, where modified comparative fault and wrongful death statutes have been adopted, nobody carries liability insurance, and only “majority rules” apply in the courts.
