Step 3: You can search for your courses either by the individual course number, or by just selecting Law for the “Subject.”

To select ALL THE AVAILABLE LAW COURSES, select Fall 2013 the “Term” and Law for the “Subject” and click on SUBMIT. Do not select anything for the “Course Level” field.

To select INDIVIDUAL LAW COURSES, select Fall 2013 the “Term” and Law for the “Subject,” enter the “Course Number,” and click on SUBMIT. Do not select anything for the “Course Level” field.

**Step 4:** Select the courses for which you would like to REGISTER or WAITLIST and click on SUBMIT.

**Step 5:** The drop down boxes will give you the option to “Register,” Remove from List,” or “Waitlist." Make sure that you know which courses are limited enrollment courses that you must WAITLIST for. Though the drop down menu gives you an option to “Register,” if the course is limited enrollment, you can only “Waitlist” for it.

**NOTE:** The limited enrollment courses all say “Closed” but it just means that you have to “Waitlist” for the course to participate in the lottery.
Step 6: I didn’t have a screen shot for the new WebAdvisor skin with the Registration Results, but the page should be similar to the screen shot below. The “Registration Results” page will show that you are officially registered for the course.

It will show you the next semester’s courses for which you’ve registered or waitlisted, and underneath it will show you the courses that you are currently in.

CONGRATULATIONS! YOU ARE REGISTERED AND/OR WAITLISTED!!!
