The Four Year Plan

Start Smart and Finish Strong

---

Freshman

- Create a college-level resume
- Know your values
- Identify your transferrable skills
- Identify your personality style
- Create a personal career profile and 4 year planner

Sophomore

- Identify your interests
- Choose and explore your major
- Find appropriate co-curricular activities to build skills and experience
- Connect with alumni who can help you build your career
- Update your personal career profile and 4 year planner

Junior

- Find a career related internship
- Find leadership opportunities to build employment skills
- Learn employer’s secrets of interviewing – the S.T.A.R. method
- Click here if you are thinking about grad school after college
- Update your personal career profile and 4 year planner

Senior

- Create/update a robust LinkedIn profile
- Connect with alumni
- Learn the most effective job search strategies
- Planning a GAP YEAR?
- Update your personal career profile and 4 year planner
