SUBMISSIONS

We invite the submission of unsolicited manuscripts specifically in the area of Sports Law. This of course can cover a wide range of subject areas; such as Labor Law to Intellectual Property. The Willamette Sports Law Journal prefers Willamette University College of Law student pieces. However, we also publish articles by scholars and practitioners unaffiliated with Willamette University College of Law. Well-written and carefully-edited articles on legal issues of contemporary significance in sports are preferred. Articles may be submitted via email, or as printed manuscripts. (Upon acceptance for publication, electronic versions of printed manuscripts will be required.) All submissions should be formatted in conformance with *The Bluebook: A Uniform System of Citation*.
